## Artistic Space Beyond Display, LG Wallpaper OLED Signage

### EJ5E Series

This sophisticated OLED wallpaper display achieves the best possible picture quality, minimizing its presence by blending in with the wall. Minimal space is required for installation, which simplifies the process. The luxurious atmosphere generated with this display will provide customers with an extraordinary experience.

## EJ5E Series

### Unrivaled Picture Quality

#### Perfect Black

Limitless contrast and the deepest blacks

Self-lighting pixels switch off completely to reproduce absolute blacks with no light bleed, offering infinite contrast

LCD

LG OLED Signage

#### Perfect Color

Accurate & stable color reproduction

Self-lighting pixels bring colors to life with superb accuracy.

LCD

LG OLED Signage

#### Perfect Viewing Screen

Wide viewing angle

LG OLED Signage delivers awe-inspiring picture quality across the entire screen, even from wide viewing angles.

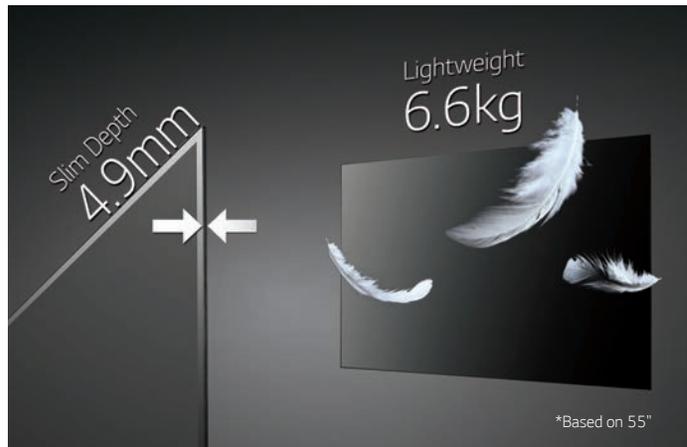

# Artistic Space Beyond Display, LG Wallpaper OLED Signage

## EJ5E Series

### Ultimate Elegance in Design

#### Perfect Design

LG's OLED technology unlocks the new worlds of design flexibility with unbelievably lightweight and slim display. The advantages the OLED display brings include easier installation, lighter weight, slimmer thickness and a more sleek appearance.

#### Hide in Plain Sight

The subtle edge of the wallpaper OLED blends in with the wall, giving audiences the sensation that content is being played directly within the wall itself. Integrating with and adding to a luxurious interior design, the wallpaper OLED is a stunning method for delivering advertisements and information.

## EJ5E Series

### Realizing an Immersive View

#### N×N Expandable Viewing Area

By tiling displays horizontally and vertically, the viewing area can be as large as users want. Expansive, large viewing areas deliver more impact because they provide an incredibly immersive viewing experience.

Seam (On-Bezel) 65"/55"

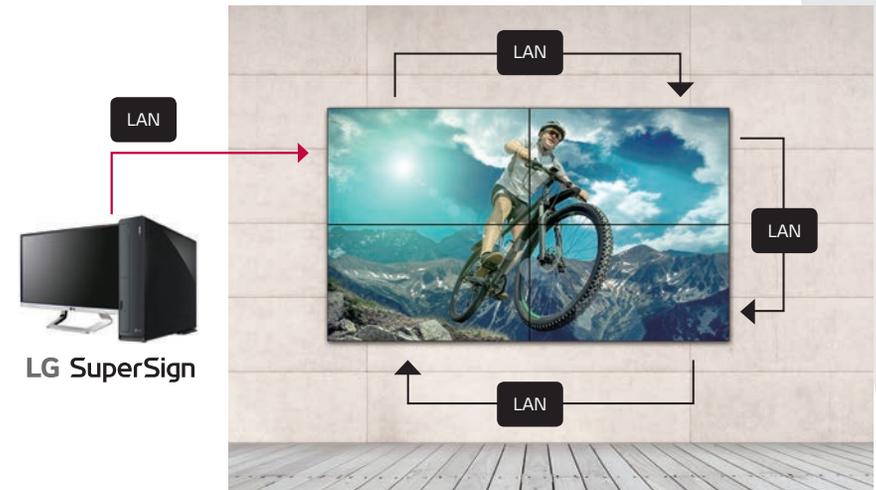

▣ T+B: 18.8 mm / 16.3 mm

▣ L+R: 16.6 mm / 10.6 mm

#### LAN Daisy Chain Management

A LAN daisy chain is supported, allowing you to execute centralized commands to control and monitor the displays and even update their firmware.

## EJ5E Series

### Easy Installation

#### Wall Fixers Optimized for Simple Tiling

The installation process of the wallpaper OLED has become much easier. Once the dedicated "wall fixers" are installed, a display can be easily hung on them. Video wall tiling has become more convenient, thanks to the front installation feature, which departs from the conventional side-sliding method.

Conventional

EJ5E Series

#### Enhanced Flexibility of Cables

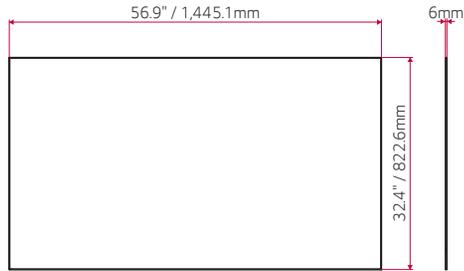

As a result of in-depth analysis of use-case scenarios, improvements have been made to the flexibility of cables connecting the display to the signage box. These new cables are pliable enough to be easily embedded in a wall or other structures.
