

Be more powerful with the premium business PC

Samsung recommends Windows 10 Pro

The premium, powerful ultrabook for business

Introducing the ultrabook designed for mobile professionals who demand a premium business experience. The Samsung Notebook 9 delivers true portability, comfort and performance. Weighing just 1.9 pounds* and measuring just 0.53" thin, the Notebook 9 is easy to take anywhere. Intel® 5th Generation Core™ i5 and i7 processors deliver the capability of speeding through data-intensive tasks. The sleek, stylish design makes it appropriate for every meeting and presentation, and the full metal body adds road-worthy durability. Meanwhile, the Full HD 13.3" 400-nit Super Bright screen is viewable in bright light. The Samsung Notebook 9. Do business better everywhere.

Key features

Powerful performance and productivity

- Powerful Intel® Core™ i5 and i7 processors ensure executives and mobile professionals stay productive while on the go
- Comes loaded with Windows 10 Pro for the latest in productivity
- Full HD 13.3" display features 400 nit brightness and 180° viewing angle for easy viewing in bright light, even from off-angles
- Long-lasting battery of up to 10 hours means more work without stopping to recharge
- Auto backlit keyboard adjusts to dimmed environments, for easy note-taking during presentations
- Easily transfer and sync data between devices with Samsung SideSync 4.0

Ultra-portability

- The Notebook 9 is one of the lightest in its class (1.9 lbs.*), and is ultra-thin (0.53")
- The sleek, full metal body is highly durable

Business-class service and support

- A 1-year warranty covers parts and labor, while a dedicated business customer toll-free support line is provided (866-SAM4BIZ), delivering peace of mind
- Samsung Protection Plus extended contracts available (sold separately)
