

SAMSUNG**890V SERIES HOSPITALITY TVs**

CURVED DISPLAY WITH SMART TV 2.0. THE NEW SHAPE OF PREMIUM

55" Class LED

HG55NC890VF

65" Class LED

HG65NC890VF

KEY FEATURES**Curved LED Panel**

The large, curved panel of the 890V Series hospitality TVs delivers a premium, immersive experience. With direct-lit LED technology providing a wide, brilliant panorama, guests will feel drawn into the picture. It's a truly captivating, engaging experience in every room.

Samsung LYNK™ SINC 3.0 Interactive Content Management System

This IP-based content management solution delivers enhanced HTML and rich text with protocols to communicate between Samsung Interactive TVs and hotel property management software. Facility managers can completely customize the in-room entertainment by unlocking rich content from the Samsung Hospitality Widget Library (Facebook, Twitter, AccuWeather, Google Maps™).

H-Browser Compatibility

The Samsung 890V Series offers H-Browser through partnerships with certified system integrators providing guests with a premium interactive experience. Built on the HTML5 standard with Flash® support, H-Browser is a true Smart TV solution that features both free and video on demand (VOD) content. It is able to interface directly with the head end without the use of a set top box.

Smart TV 2.0

Experience the next generation of our groundbreaking TVs with Smart Interaction, full web browsers, all-new content, all-new content services, faster processors and much more.

Mobile Device Integration Using AllShare™ Cast

Samsung AllShare™ Cast lets you seamlessly share content across your DLNA-connected Samsung devices which includes WIDI without the need for a network cable or a connecting device. AllShare Cast allows screen mirroring and video streaming to enable seamless content sharing.

Samsung LYNK™ REACH 3.0 Content Management Solution

The Samsung REACH 3.0 (Remote Enhanced Active Control for Hotels) Management Solution is used in conjunction with an existing coaxial-based infrastructure. It provides centralized TV controls, basic static content management capabilities and an Interactive Program Guide (IPG).

CURVED SCREEN AND DYNAMIC INTERACTIVITY FOR THE ULTIMATE IMMERSIVE EXPERIENCE

Bring a new dimension to guest entertainment. With a curved screen, vibrant picture quality and a panoramic effect, the Samsung 890V Series draws guests in and makes them feel as though they're part of the picture. Full HD and Micro Dimming Pro deliver perfect contrast, depth and brightness levels, while the Quad Core processor enables faster web browsing and multi-tasking. With Smart TV 2.0, guests can stream movies and TV shows, stay connected with Facebook, Twitter and Skype, and push content from their mobile devices to the big screen. Add in remote content management for cost savings and greater efficiency, and the Samsung 890V Series are hospitality TVs in which you'll be completely immersed.

Samsung 890V Series Hospitality TVs

Samsung Hospitality TVs are loaded with features that provide premier guest satisfaction, while making your job easier.

HOSPITALITY FEATURES

Anti-Theft Battery Cover

Battery door is secured, ensuring batteries remain in the remote controller.

Channel Remapping

Allows the hotelier to change channel and TV source to a different channel.

Clock On Timer and Alarm Key

Allows the guest to program the TV to turn on as a wake-up alarm.

Closed Captioning

A text display of all audio content, including spoken dialog and non-speech information such as the identity of the speakers and symbols for sound effects and music.

Hotel Channel List

Guest master channel listing of program content. This will display content in analog or HD.

Hotel Logo Display with Time Out Setting

Display hotel logo bitmap files as a greeting startup display.

Hotel Mode Plug & Play

Interactive stand-alone mode available.

Lockout Controls

The hotelier can enable front panel and menu display lock-outs.

OSD Language

Choose English/French/Spanish.

Picture-in-Picture

Display one program while another is being displayed on the full TV screen at the same time.

Power On Status Setting

Settings include power always on, last option or standby.

Multi-Code Remote

Eliminates interference when two or more TVs are used in close proximity to each other.

Samsung LYNK™ SINC 3.0 Interactive Content Management System

IP-based solution designed to provide enhanced HTML and rich text, dynamic content management capabilities. Offers EPG (Electronic Program Guide), Weather API, Flight Information and Real Time Messaging. Incorporates use of Samsung Hospitality Widget Library (Facebook, Twitter, AccuWeather, Google Maps). For the hotelier with IP-enabled infrastructure and Samsung's Interactive TVs. The Samsung Hospitality Displays Smart Widget Solution provides you with the ability to deliver customized content to your guests via the TV screen, providing a high degree of customer satisfaction.

Samsung LYNK™ REACH 3.0 Content Management Solution

The Samsung LYNK™ REACH 3.0 (Remote Enhanced Active Control for Hotels) Management Solution is used in conjunction with an existing coaxial-based infrastructure. It provides centralized TV controls, basic static content management capabilities and an Interactive Program Guide (IPG). Samsung REACH delivers, in a free-to-guest solution, content and information on such topics as your hotel, local and in-room dining, spa and exercise facilities, meetings and events, local attractions, and other simple guest convenience features. Property managers will be able to easily update and change information using a Windows®-based system.

Sleep Timer

Allows guest to set TV turn-off time in 30-minute intervals up to 180 minutes.

USB Cloning

A quick and easy way to copy the ideal settings off one television to others on the property. Saves time and helps provide a consistent viewing experience for all televisions.

CONNECTIONS

AllShare™ Cast

Enjoy your favorite digital content from any of your DLNA-connected Samsung Devices. AllShare™ Cast lets you wirelessly access and share content between your Samsung devices regardless of where you are. And there's no need for any cables or connected devices. It's also equipped with cloud technology, so you can upload your favorite content to a central web storage account and access it wherever you are.

Anynet + (HDMI – CEC)

This Samsung protocol allows the user to control other HDMI devices connected to the TV display, such as DVD players, PC computers and Soundbars.

ConnectShare™ (USB 2.0)

Connect a thumb drive or digital camera quickly and easily. User-friendly interface allows access to videos, a music playlist and pictures via the remote.

Hotel TV (RJ-12/IR Pass Through)

Allows you to connect an interactive STB/SBB (Set Top Box/Set Back Box).

Hotel TV RJ45

Connection to hotel LAN using custom H-browser or Samsung LYNK™ SINC.

Interactive Compatibility System

Remote Jack Panel (RJP) Compatibility

WiFi®

With built-in WiFi, no additional equipment is needed to connect with an existing wireless router in your hotel network and start accessing Samsung Apps or other Smart TV features.

PICTURE QUALITY AND AUDIO

2D and 3D in Full HD

Enjoying stunning full HD 1080p in both 2D and 3D models. With Samsung's 3D Converter, turn 2D viewing into 3D for an amazing cinematic experience. Requires 3D Active Glasses to bring viewing to vivid life.

Auto Volume Limiter

During initial product setup, minimum and maximum volume levels can be locked to help minimize disturbance to other hotel guests.

Quad Core Processor

Enhanced processing speeds allow you to perform multiple tasks at the same time with ease, such as using an app while downloading another one. It also enables faster web browsing while playing apps for TV programs that you recently opened through the Recent History feature.

Full HD 1080p, MPEG4

Samsung 55" and 65" 890V Series TVs feature Full HD. All TVs also are compatible with MPEG4.

Music Mode (Input: HDMI/PC/AV/Component)

Allows audio feedback when picture is muted.

Music Mode Backlight On/Off

Shows a background display.

Premium Edge-Lit Ultra-Thin LED Technology

Samsung's premium edge-lit 890V Series puts any hotel in the best light possible and delivers an unparalleled guest experience. Available in 55" and 65" picture sizes to fit in a wide range of rooms and suites, these energy-efficient flat panel TVs deliver best-in-class picture quality and value.

Samsung Soundbar Compatible

Samsung Hospitality Displays enable Soundbar compatibility by supporting HDMI-CEC. When you connect the Soundbar to the Samsung Hospitality Display with an HDMI cable, the TV audio settings and menu lock feature are automatically applied, so you don't have to set up the Soundbar separately. You can also prevent guests from changing the settings. With one single remote, guests can control both the TV and Soundbar simultaneously.

WARRANTY

2-year parts and 2-year labor warranty backed by Samsung Hospitality Hotline 1-866-894-0524. Optional professional installation, accessories and extended warranty are available.
