

SAMSUNG

S24C650DW DESKTOP MONITOR

BOTH CUBICLE AND CORNER OFFICE - FRIENDLY

KEY FEATURES

Everything's Up Front

With narrow bezels, a black matte finish and front-mounted tactile buttons, the S24C650DW is an easy-to-use, easy-to-deploy and easy-to-maintain professional-grade desktop monitor solution.

Wide Viewing Angles

LED PLS panels deliver 178° horizontal/vertical viewing angles, for clear images even when viewed from off angles.

Impressive Picture Quality

The LED-backlit LCD screen delivers sharp, bright, beautiful images. Mega Infinity Dynamic Contrast Ratio ensures subtle detail even in the lights and darks, and MagicAngle technology delivers rich color even when viewed off-angle.

Ultra-Slim Design That Fits Any Desk

The sleek design and low profile stand take up less desk space and contribute to a cleaner-looking office. The built-in cable management feature also adds to a clutter-free work environment.

Ergonomic, Adjustable Stand

The monitor swivels, tilts, pivots and is height-adjustable. And since the monitor is VESA compatible, installation on a wall or separate mounting arms is easy.

Fast, Easy Connectivity

VGA, DVI, DisplayPort and USB hub give users flexibility in high-speed connectivity. So whatever devices users need to connect today or in the future, the S24C650DW keeps everyone's options open.

24" 16:10 LED DESKTOP MONITOR FOR EVERYDAY PERFORMANCE

It's perfect for every rung of the organizational chart. It's the Samsung S24C650DW. In addition to reliable performance at an affordable price, it features an ergonomic, 4-way adjustable stand that keeps users comfortable, focused and productive. The front-mounted tactile buttons allow for easy and intuitive operation. Connectivity options accommodate a wide range of existing and future devices. And its narrow-bezel design saves space and creates a cleaner, more professional-looking workspace. As for image quality, remember, it's a Samsung. That means a flat-out amazing visual experience from an advanced LED-backlit LCD screen with 178° viewing angles. All of which explains why it's so widely accepted. The Samsung S24C650DW. **The New Business Experience**
