INDUSTRY TRENDS

Today's meeting rooms and classrooms require interactive capabilities that exceed those offered by projectors and whiteboards. Not surprisingly, more are turning to advanced displays that promote simultaneous collaboration. E-boards' popularity, and revenue, only is expected to grow further in the near future.

WHY SAMSUNG QBH-TR SERIES?

Samsung's QBH-TR e-boards offer a versatile, all-in-one arena for improved collaboration. Enhanced touch technology, the intuitive MagicIWB S5 solution and UHD picture quality come together to boost productivity and collaboration by facilitating engaging, efficient interaction.

KEY FEATURES

ENHANCE TOUCH, ENHANCE CAPACITY

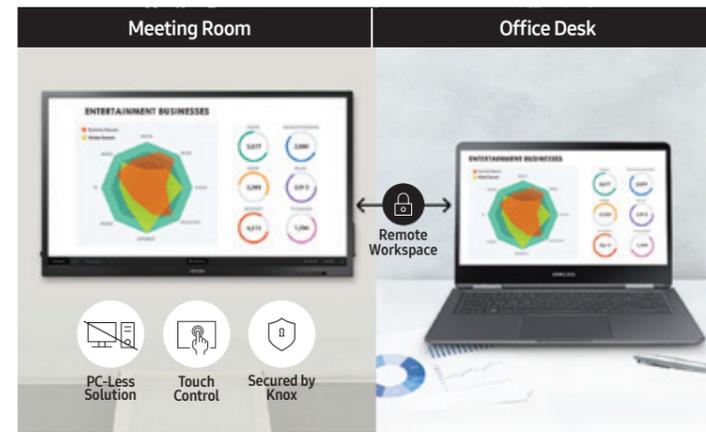

Leverage heightened touch functionality for a smooth and versatile digital writing experience. Up to four users can write simultaneously using the provided pen or virtually any other tool.

ELEVATE COLLABORATION QUALITY, ALL-IN-ONE

The embedded MagicIWB S5 solution facilitates discussion management and organization with an intuitive interface for quick access to vital collaborative functionalities such as screen mirroring and real-time notation saving.

SWITCH SOURCES SEAMLESSLY

Through the Working Screen function, users can quickly switch between multiple screens, such as the whiteboard, internet browser and connected input sources, with just a few touches.

RETRIEVE AND CONTROL CONTENT REMOTELY

Pull and edit content on remote laptops directly through the central screen utilizing touch functionality. The powerful Knox system secures the Remote Workspace connection to protect against information leakage and meddling.

CONNECT WITH CONVENIENCE

Each e-board offers a wide range of connections including HDMI, DVI-D, DP and USB ports, where users can load, share and revise content directly from their personal devices.

AMPLIFY VISUAL PRESENTATION

Bring collaborative ideas to life through advanced UHD picture quality. Through ultra-high resolution, ensure all notations and introduced content are clear and legible for every participant.

MAINTAIN ORGANIZATION WITH STYLE

Drive more organized collaboration with a sleek, sophisticated design. The magnetic side pen holder and frontal connection ports keep needed functions within reach, without the mess.
