# HP EliteDisplay E243p 23.8-inch Sure View Monitor

## Share your space, not your screen

Help protect your onscreen data in an instant with the HP EliteDisplay E243p Sure View Monitor. It's our first 23.8" diagonal display with an integrated privacy screen that's designed to shield sensitive content from prying eyes.

### Safeguard your screen with one touch

- Instantly create privacy in open workspaces and deter visual hacking with built-in HP Sure View Gen3 technology.[2] No attachments, no replacements, no worries.

### Designed for functional flexibility

- Experience practical sophistication in a forward-thinking, sleek design that also keeps you comfortable with 4-way adjustability—tilt, pivot, swivel, and up to 150 mm height adjustment.

### Explore every detail

- Hide your screen from passersby and still get a crisp, clear, 1920 x 1080 FHD resolution view of your content, images, and video. Enjoy the productivity boost of a nearly-seamless, multi-display[3] setup with the 3-sided micro-edge bezel.

### Features

- Connect the devices that make your life easier through a range of integrated ports right at the display, including VGA, HDMI, USB 3.0, and DisplayPort™.

- Give your workspace more space. Create a sleeker, slimmer profile by mounting your compatible HP Desktop Mini PC, Thin Client or Chromebox directly on the column stand using the optional HP B300 PC Mounting Bracket.

- Customize your environment with optional HP accessories. Lift the display off the desk with an HP Single Arm, set up multiple displays with an HP USB Graphics Adapter or add space-saving audio beneath the display bezel with an HP S100 Speaker Bar.

- Manage your screen with HP Display Assistant. Quickly resize screen partitions to work in separate regions of the screen; help deter theft by dimming a display that's disconnected without approval.

- Energy efficiency and environmental sustainability are built into our low-halogen, ENERGY STAR® certified, EPEAT® 2019 registered design that meets TCO Certified Edge requirements.

- We're just a call or click away. Rest assured that your IT investment is supported with our three-year standard limited warranty.
