<b>Dimensions</b>	13.3 x 9.09 x 0.75 in 33.8 x 23.1 x 1.89 cm
<b>Weight</b>	Starting at 3.56 lb Starting at 1.61 kg (Weight will vary by configuration.)
<b>Environmental</b>	Low halogen <sup>9</sup>
<b>Energy Efficiency Compliance</b>	ENERGY STAR® qualified configurations available
<b>Expansion Solutions</b>	E271i Elite 27" Display S230tm Elite Touch Monitor
<b>Warranty</b>	Limited 3 year, 1 year and 90 day warranty options available, depending on country, 1 year limited warranty on primary battery. Optional HP Care Pack Services are extended service contracts which go beyond your standard warranties.

## HP EliteBook Folio 9480m Notebook PC

### Accessories and services (not included)

#### HP 2013 UltraSlim Docking Station

Quickly and easily expand your display, network, and device connectivity to customize an always-ready workspace with the HP 2013 UltraSlim Docking Station, a simple one-click, slide-in side dock for select ultraslim HP EliteBook Notebook PCs.

**Product number: D9Y32AA**

#### HP Ultraslim Keyed Cable Lock

Designed to fit industry standard lock slot on most HP notebooks

**Product number: H4D73AA**

#### HP External USB DVDRW Drive

Connect the HP External USB DVD/RW to any available USB port on your PC<sup>1</sup> to get immediate read/write access to your optical media.

**Product number: F2B56AA**

#### HP BA06 Long Life Battery

The HP BA06 Long Life Battery is a slice battery that slides onto the bottom of the HP EliteBook Folio 9470m Notebook PC to help you be productive longer than using the primary battery alone.

**Product number: H4Q48AA**

#### HP DisplayPort to HDMI 1.4 Adapter

Make the most of the available ports on your HP Business Notebook by converting its DisplayPort output to HDMI for quick and easy connection to a range of multimedia devices.

**Product number: F3W43AA**

#### HP 65W Slim AC Adapter

Be productive with the HP Slim 65W Combo Adapter, which can power your HP Business Notebook or Ultrabook™.

**Product number: H6Y82AA**

#### HP EliteDisplay E271i 27-inch IPS LED Backlit Monitor (ENERGY STAR)

A huge screen, customizable comfort, and wide-angle IPS.

IPS goes mainstream with the HP EliteDisplay E271i 27-inch IPS LED Backlit Monitor, a business-class combination of an extra-large screen, extra-wide viewing angles, and extraordinary comfort.

**Product number: D7Z72AA**

#### HP EliteDisplay S230tm 23-inch Touch Monitor (ENERGY STAR)

Make the most of your business PC's Windows 8 environment with a fully reclining, multi-touch IPS display that puts productivity at your fingertips and keeps you comfortable throughout the day. Enjoy vibrant Full HD<sup>1</sup> images on the extra-large 23-inch diagonal screen.

**Product number: E4S03AA**

## Messaging Footnotes

- <sup>1</sup> Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers and/or software to take full advantage of Windows functionality. See <http://www.microsoft.com>.
- <sup>2</sup> Not all configurations will qualify as Ultrabooks™.
- <sup>3</sup> Sold separately or as an optional feature.
- <sup>4</sup> HP Mobile Connect services are optional, require a compatible CDMA or HSPA mobile broadband module and prepaid service purchase. Find coverage and availability for your service area at <http://www.hp.com/go/mobileconnect>.
- <sup>5</sup> 3G and 4G LTE WWAN is an optional feature, requires factory configuration and is not available on all products, in all regions and requires separately purchased service contract. Check with service provider for coverage and availability. Connection speeds will vary due to location, environment, network conditions, and other factors.
- <sup>6</sup> Requires Windows.
- <sup>7</sup> Requires Windows Operating System.
- <sup>8</sup> LANDesk software is sold separately. Managed devices must be connected to the management server. Requires active LANdesk maintenance service. Wipe functionality performs a "Windows 8 Reset" and requires Windows 8. Lock performs a Windows "Lock Computer."
- <sup>9</sup> Some functionality of this technology, such as Intel® Active management technology and Intel Virtualization technology, requires additional 3rd party software in order to run. Availability of future "virtual appliances" applications for Intel vPro technology is dependent on 3rd party software providers. Windows required.
- <sup>10</sup> Multi-Core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. 64-bit computing system required. Performance will vary depending on your hardware and software configurations. Intel's numbering is not a measurement of higher performance.
- <sup>11</sup> MIL STD 810G testing is not intended to demonstrate fitness for U.S. Department of Defense contract requirements or for military use. Test results are not a guarantee of future performance under these test conditions.
- <sup>12</sup> Memory and storage upgrades after factory configuration are only available through an HP Authorized Service Provider or for participants in HP's Self Maintainer program <http://www.hp.com/partners/Smpprogram>

## Technical Specifications Footnotes

- <sup>1</sup> Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers and/or software to take full advantage of Windows functionality. See <http://www.microsoft.com> for details.
- <sup>2</sup> This system is preinstalled with Windows 7 Professional software and also comes with a license and media for Windows 8.1 Pro software. You may only use one version of the Windows software at a time. Switching between versions will require you to uninstall one version and install the other version. You must back up all data (files, photos, etc.) before uninstalling and installing operating systems to avoid loss of your data.
- <sup>3</sup> Multi-Core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. 64-bit computing system required. Performance will vary depending on your hardware and software configurations. Intel's numbering is not a measurement of higher performance.
- <sup>4</sup> Maximum memory capacities assume Windows 64-bit operating systems. With Windows 32-bit operating systems, memory above 3 GB may not all be available due to system resource requirements.
- <sup>5</sup> For storage drives, GB = 1 billion bytes. TB = 1 trillion bytes. Actual formatted capacity is less. Up to 30GB (for Windows 8) is reserved for system recovery software.
- <sup>6</sup> Wireless is an optional add-on feature and requires wireless access point and Internet service is required and is not included. Availability of public wireless access points limited.
- <sup>7</sup> Mobile Broadband is an optional feature and requires factory configuration. Use requires separately purchased service contract. Check with service provider for coverage and availability in your area. Connection speeds will vary due to location, environment, network conditions, and other factors. 4G LTE not available on all products, and in all regions.
- <sup>8</sup> HD content required to view HD images.
- <sup>9</sup> External power supplies, power cords, cables and peripherals are not Low Halogen. Service parts obtained after purchase may not be Low Halogen.
- <sup>10</sup> ePrint requires an Internet connection to HP web-enabled printer. HP ePrint account registration required. For a list of eligible printers, supported documents and image types, and for complete details, see [www.hp.com/eprint](http://www.hp.com/eprint)
- <sup>11</sup> File Sanitizer is for the use cases outlined in the DOD 5220.22-M Supplement. Does not support Solid State Drives (SSDs). Initial setup required. Web history deleted only in Internet Explorer and Firefox browsers and must be user enabled.
- <sup>12</sup> HP 3D Drive Guard requires Windows.
- <sup>13</sup> HP Support Assistant: internet access required.
- <sup>14</sup> Microsoft Security Essentials on Windows 7 only. Internet access required.
- <sup>15</sup> WiDi: Intel® Wireless Display requires a separate Wireless Display receiver with a USB port and an HDTV or monitor with HDMI input.
- <sup>16</sup> HP Client Security requires Windows.
- <sup>17</sup> BIOS Absolute Persistence module is shipped turned off, and will be activated when customers purchase and activate a subscription. Service may be limited. Check with Absolute for availability outside the U.S. The optional subscription service of Absolute Recovery Guarantee is a limited warranty. Certain conditions apply. For full details visit: <http://www.absolute.com/company/legal/agreements/computrace-agreement>. If Data Delete is utilized, the Recovery Guarantee payment is null and void. In order to use the Data Delete service, customers must first sign a Pre-Authorization Agreement and either create a PIN or purchase one or more RSA SecurID tokens from Absolute Software.
- <sup>18</sup> HP ProtectTools requires Windows.
