HP EliteBook x360 1030 G2

With 360° of versatility across five modes, comprehensive security, and up to 16 hours and 30 minutes of battery life[3], the thin and light HP EliteBook x360 1030 is the perfect PC for highly mobile professionals. Wherever business or pleasure takes you, set a new benchmark for work and fun.

HP recommends Windows 10 Pro.

Iconic Elite design

Beauty, durability, and functionality come together like never before. The stunning HP EliteBook x360 with a precision cut, beautiful CNC aluminum unibody frame, and diamond cut accents is designed to pass twelve MIL-STD 810G tests[2].

Take it for a spin

Be prepared for any situation with 360° flexibility. Five use modes; work, share, present, conference, and write, deliver modern-day versatility bringing new life to collaboration and productivity.

Superb protection

Get end-to-end protection from secure and manageable PCs. Protect against BIOS attacks with HP Sure Start Gen3[4], block malicious websites with HP Sure Click[5], and keep visual hackers out with optional HP Sure View[6].

- Power through your day with Windows 10 Pro[1] and the powerful, sleek, thin, and light HP EliteBook x360.
- The HP Active Pen provides a natural inking experience.[7] The HP Collaboration Keyboard lets you share your creations with the touch of a button. Audio by Bang & Olufsen and HP Noise Cancellation let you clearly discuss your work.
- Help protect your PC from infected websites, malware, ransomware, and viruses with HP Sure Click[5]—hardware-enforced security for web browsers.
- Instantly protect against visual hacking with the optional HP Sure View[6] integrated privacy screen. At the touch of a button your screen appears unreadable to those around you while you see your content clearly.
- Start with a genuine HP BIOS every time. HP Sure Start Gen3[4] monitors in-memory BIOS, recovers the platform without user or admin intervention, restores the BIOS to a custom state, and is enterprise ready for centralized management.
- Work and play long with up to 16 hours and 30 minutes of battery life[3], and quickly recharge your HP EliteBook x360 with an HP fast charging battery. You'll get up to 50% battery life in just 30 minutes of charging[8].
- Combine power and speed with Windows 10[1], 7th Gen Intel® Core™ processors[9], optional PCIe Gen3 SSD[10], DDR4 memory[10].
- HP WorkWise[11] is office intelligence rolled into one smartphone app.
- Stay productive with essential ports for optional docking[10], and connect to networks with WiFi and optional 3G/4G LTE[12].

HP EliteBook x360 1030 G2 Specifications Table

Available Operating System	Windows 10 Pro 64 – HP recommends Windows 10 Pro. [1] Windows 10 Home 64 [1] Windows 10 Pro 64 (National Academic only) [1,25]

Product number: UA6Z7E (for 1 year platforms), UB0E4E (for 3 year platforms)

Messaging Footnotes

[1] Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers and/or software to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See http://www.windows.com.

[2] MIL STD 810G testing is pending and is not intended to demonstrate fitness for U.S. Department of Defense contract requirements or for military use. Test results are not a guarantee of future performance under these test conditions. Damage under the MIL STD test conditions or any accidental damage requires an optional HP Accidental Damage Protection Care Pack.

[3] Windows 10 MM14 battery life will vary depending on various factors including product model, configuration, loaded applications, features, use, wireless functionality, and power management settings. The maximum capacity of the battery will naturally decrease with time and usage. See www.bapco.com for additional details.

[4] HP Sure Start Gen 3, available on HP EliteBook products equipped with Intel® 7th generation processors.

[5] Available as a web-download for the HP EliteBook x360 1030 G2 at https://support.hp.com/us-en/drivers/selfservice/hp-elitebook-x360-1030-g2/14169372 . Supports Microsoft® Internet Explorer and Chromium™.

[6] HP Sure View integrated privacy screen is an optional feature that must be configured at purchase expected to be available Q2 2017.

[7] Sold separately or as an optional feature. Inking requires Windows 10.

[8] Recharges your battery up to 50% within 30 minutes when the system is off or in standby mode. Power adapter with a minimum capacity of 65 watts is required. After charging has reached 50% capacity, charging will return to normal. Charging time may vary +/-10% due to System tolerance.

[9] Multi-Core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering is not a measurement of higher performance.

[10] Optional features sold separately or as add on features.

[11] HP WorkWise smartphone app will soon be available as a free download on the App Store and Google Play.

[12] 3G/4G LTE WWAN is an optional feature that must be configured by the factory. It is not available on all products, in all regions and requires separately purchased service contract. Check with service provider for coverage and availability. Connection speeds will vary due to location, environment, network conditions, and other factors.

[13] HP Manageability Integration Kit will be available soon as a download from http://www8.hp.com/us/en/ads/clientmanagement/overview.html.

Technical Specifications Footnotes

[1] Not all features are available in all editions or versions of Windows of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See http://www.windows.com/.

[2] Multicore is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering is not a measurement of higher performance.

[3] NOTE: In accordance with Microsoft's support policy, HP does not support the Windows 8 or Windows 7 operating system on products configured with Intel and AMD 7th generation and forward processors or provide any Windows 8 or Windows 7 drivers on http://www.support.hp.com.

[4] Due to the non-industry standard nature of some third-party memory modules, we recommend HP branded memory to ensure compatibility. If you mix memory speeds, the system will perform at the lower memory speed.

[5] For storage drives, GB = 1 billion bytes. TB = 1 trillion bytes. Actual formatted capacity is less. Up to 980 MB (for Windows 10) is reserved for system recovery software.

[6] Wireless access point and Internet service required and sold separately. Availability of public wireless access points limited. The specifications for the 802.11ac WLAN are draft specifications and are not final. If the final specifications differ from the draft specifications, it may affect the ability of the notebook to communicate with other 802.11ac WLAN devices.

[7] Sold separately or as an optional feature.

[8] Mobile Broadband requires separately purchased service contract and factory configuration. Check with service provider for coverage and availability in your area. Connection speeds will vary due to location, environment, network conditions, and other factors. 4G LTE not available on all products, and in all regions.

[9] Miracast is a wireless technology your PC can use to project your screen to TVs, projectors, and streaming media players that also support Miracast. You can use Miracast to share what you're doing on your PC and present a slide show. For more information: http://windows.microsoft.com/en-us/windows-8/project-wireless-screen-miracast

[10] All cables are sold separately.

[11] HD content required to view HD images.

[12] Internet access required.

[13] Resolutions are dependent upon monitor capability, and resolution and color depth settings.

[14] Available only on business PCs with HP BIOS.

[15] HP Secure Erase is for the methods outlined in the National Institute of Standards and Technology Special Publication 800-88.

[16] Security lock slot cable not included.

[17] Absolute agent is shipped turned off, and will be activated when customers activate a purchased subscription. Subscriptions can be purchased for terms ranging multiple years. Service is limited, check with Absolute for availability outside the U.S. The Absolute Recovery Guarantee is a limited warranty. Certain conditions apply. For full details visit: https://www.absolute.com/en/about/legal/agreements/absolute. Data Delete is an optional service provided by Absolute Software. If utilized, the Recovery Guarantee is null and void. In order to use the Data Delete service, customers must first sign a Pre-Authorization Agreement and either obtain a PIN or purchase one or more RSA SecurID tokens from Absolute Software.

[18] HP Mobile Connect is only available on preconfigured devices with WWAN. For geographic availability refer to www.hp.com/go/mobileconnect

[19] Requires an Internet connection to HP web-enabled printer and HP ePrint account registration (for a list of eligible printers, supported documents and image types and other HP ePrint details, see www.hp.com/go/eprintcenter).

[20] Not preinstalled, however available for download at http://www.hp.com/go/clientmanagement

[21] LANDESK Management subscription required.

[22] Skype is not offered in China.

[23] Supports battery fast charge.

[24] HP Care Packs are sold separately. Service levels and response times for HP Care Packs may vary depending on your geographic location. Service starts on date of hardware purchase. Restrictions and limitations apply. For details, visit www.hp.com/go/cpc. HP services are governed by the applicable HP terms and conditions of service provided or indicated to Customer at the time of purchase. Customer may have additional statutory rights according to applicable local laws, and such rights are not in any way affected by the HP terms and conditions of service or the HP Limited Warranty provided with your HP Product.

[25] Some devices for academic use will automatically be updated to Windows 10 Pro Education with the Windows 10 Anniversary Update. Features vary; see https://aka.ms/ProEducation for Windows 10 Pro Education feature information.

[26] Planned to be available in April 2017.

[27] Windows 10 MM14 battery life will vary depending on various factors including product model, configuration, loaded applications, features, use, wireless functionality, and power management settings. The maximum capacity of the battery will naturally decrease with time and usage. See www.bapco.com for additional details.

[28] 1 TB SATA SSD drive will be available until June 1st, 2017.
