

3 & FREE PROMOTION + HIGH AVAILABILITY

Get a free high availability firewall

when purchasing a 3-year Security Service Bundle
on Small Businesses / Mid-Enterprise models.

Offer valid from December 14, 2025, while supplies last.

For a limited time, when you upgrade from an eligible SonicWall or competitor firewall and purchase 3-years of Advanced Protection Security Services (APSS) bundle on any TZ firewall, you will receive an additional high availability firewall of the same model and stateful high availability licensing for free. Additionally, you will also receive 1-year of our cloud-based 'zero trust' secure access from anywhere solution - Cloud Secure Edge.

What you will get:

- Two next-generation firewalls (one primary and one high availability failover firewall)
- One stateful high availability license
- One-year of designated Cloud Secure Edge licenses

Why is a high availability firewall necessary?

The gateway firewall plays a crucial role in any modern network. Implementing a high availability appliance is the best way to ensure that key resources in your networks remain operational around the clock by building in redundancy, avoiding costly downtimes. This limited-time promotion gives you additional reliability without any additional expense.
